Re: Confidential Business Information Released in Cost Package - Notification for Contract
#EPW05050

Dear Mr. Baker:

The purpose of this letter is to notify you that the Environmental Protection Agency (EPA) in Region 8 has entered into a Confidentiality Agreement with Atlantic Richfield Company (ARCO) regarding the Rico-Argentine Site, located near the Town of Rico in Dolores County, Colorado. The EPA is currently engaged in cost recovery negotiations with this party. I have enclosed a copy of the executed Confidentiality Agreement with ARCO. Authorized representatives at ARCO will be reviewing financial cost documents that contain confidential business information submitted to the EPA by Toerock Associates, Inc.

This notification letter complies with the Confidentiality Agreement requirements set forth in 58 FR (Federal Register) #458 dated January 5, 1993, which authorizes the EPA to release cost documentation containing confidential business information to authorized representatives of the party(ies) with whom the Agency is involved in cost recovery.

If you have any questions regarding this notice, please contact Amelia Piggott, Enforcement Attorney, at (303) 312-6410.

Sincerely,

Kelcey Laird, Director
